Acknowledgements

Research in the Mariana Archipelago was conducted under the National Marine Fisheries Service (NMFS) permit 15240 and CNMI Department of Fish and Wildlife (DFW) license nos. 03086-2015, 03292-2016, 03564-17, and 03752-18 issued to PIFSC. Funding was provided by Commander, U.S. Pacific Fleet, PIFSC, and NMFS. In the Philippines, funding was provided by World Wildlife Fund – Philippines, Ocean Park Conservation Foundation – Hong Kong, Whale and Dolphin Conservation Society, Whale Trust, Department of Environment and Natural Resources – Integrated Coastal Resources Management Project (DENR-ICRMP), The Rufford Foundation, and Conservation Sew Mates. In the Russian Pacific, funding was provided by Russian Foundation for Basic Research (grant #18-04-00462), the Pew Marine Fellowship, and the Russian Geographical Society. We would like to thank the following individuals and organizations that provided logistical and research support **in the Mariana Archipelago:** Mike Trianni, Steve McKagan, Eric Cruz, Erik Norris, Sarah Mallette, Jessica Chen, Laura Morse, Alyson Azzara, Jim Cotton, Cornelia Oedekoven, the CNMI DFW, the owner, captain, and crew of *Sea Hunter,* and the staff of Hyatt Regency Saipan; **in Ogasawara:** all photo contributors to the OWWA, including captains, tour guides, and tourists; **in Okinawa**: the captains of the research vessels, Kiyoteru Toyama, Yukinobu Taira, Hisao Miyahira, Kiyohide Miyahira, Yukifumi Miyamura, Keiko Tamura, Sachie Ozawa, Naoto Higashi, Senzo Uchida, and all other humpback whale research staff of the Okinawa Churashima Foundation and Okinawa Churaumi Aquarium, Japan; **in the Philippines**: Shotaro Nakagun, Elson Aca, Darius Macusi, AG Saño, Ivan Sarenas, Dexter Bongo, and all other volunteers and researchers; **in the Russian Pacific:** Erich Hoyt, Alexander Burdin, Ivan Fedutin, and the staff of the Commander Biosphere Reserve.
