

# US Navy Marine Species Monitoring Program Atlantic Technical Review Meeting

**Date:** April 11-12, 2017

**Location:** The Westin Virginia Beach, Monarch IV-V meeting room

Tuesday, April 11, 2017		
8:00	Coffee & Set-up	
8:30	Welcome, Introductions, Meeting Overview	Bell
8:45	<a href="#">Navy Monitoring Program Overview &amp; Objectives</a>	Bell
<b>Baseline Occurrence, Distribution, and Population Structure</b>		
9:00	<a href="#">Chesapeake Bay (NAS PAX) Aerial Surveys</a>	McLellan
9:20	<a href="#">Pinniped Haulout Visual Surveys</a>	Rees/Jones
9:40	<a href="#">Mid-Atlantic Humpback Whale Catalog</a>	Barco
10:00	BREAK	
10:20	<a href="#">VACAPES Continental Shelf Aerial Surveys</a>	Mallette
10:40	Visual Baseline Monitoring – Norfolk Canyon, Hatteras, Jacksonville - <a href="#">Aerial Line Transect Surveys</a> - <a href="#">Vessel Surveys, Photo-ID, Biopsy Sampling</a>	McLellan Read
11:10	DISCUSSION	
<b>Data Management &amp; Public Accessibility</b>		
11:30	<a href="#">Web Portal &amp; Data Accessibility</a>	Bell
11:40	<a href="#">COMPASS – Survey Toolkit for Marine Mammal Observation</a>	Richlen/Davis
12:00	<a href="#">Animal Telemetry Network</a>	Weise
12:15	<a href="#">Population Consequences of Disturbance Update</a>	Weise
12:30	LUNCH	
<b>Integrated Occurrence, Abundance, and Ecology</b>		
1:45	<a href="#">Overview of Deep Diving Odontocete Tagging</a>	Read
2:00	Occurrence, Abundance, and Ecology of Beaked Whales - <a href="#">Occurrence of beaked whales along the western Atlantic shelf break from a broad-scale passive acoustic monitoring array</a> -Identity and density of beaked whales off Cape Hatteras from aerial surveys - <a href="#">Photo-identification of Cuvier's beaked whales from aerial and vessel surveys off Cape Hatteras</a> - <a href="#">Movements and diving behavior of Cuvier's beaked whales off Cape Hatteras</a>	Stanistreet Pabst Read Baird
3:20	BREAK	
3:40	Occurrence and Ecology of Pilot Whales - <a href="#">Movements of pilot whales along the western Atlantic shelf break from satellite telemetry</a> - <a href="#">Patterns of movement and residency of pilot whales derived from photo-identification</a> - <a href="#">Foraging ecology of pilot whales</a>	Foley Read Quick
4:30	DISCUSSION	
5:00	ADJOURN	
6:00	HAPPY HOUR & SOCIAL	

## Wednesday, April 12, 2017

8:00	Coffee & Set-up	
<b>Passive Acoustic Monitoring</b>		
8:30	<a href="#">HARP Deployments - Status Update &amp; Analyses</a>	Williams-Hodge
8:50	<a href="#">Spatiotemporal Occurrence of Sperm Whales in the Northwest Atlantic</a>	Stanistreet
9:05	<a href="#">Atlantic Large Whale Assessment and NARW Analysis</a>	Van Parijs
9:30	DISCUSSION	
9:50	BREAK	
10:10	<a href="#">Effects of Depth on Classifier Performance (LMR/ONR collaboration)</a>	Lammers
10:25	<a href="#">Pile Driving Sound Source Measurements</a>	Hotchkin
10:40	<a href="#">Analysis of AMAR Data Across the Virginia Continental Shelf</a>	Klinck
11:00	<a href="#">Near Real-Time Passive Acoustic Monitoring of Baleen Whales in the Gulf of Maine (ESTCP/LMR)</a>	Baumgartner
11:20	<a href="#">DMON-glider integration demonstration/validation (ESTCP/LMR)</a>	Baumgartner
11:40	DISCUSSION	
12:00	LUNCH	
<b>Behavioral Response</b>		
1:15	<a href="#">Turslops Response to MINEX Events</a>	Lammers
1:30	<a href="#">Statistical Methods for Examining Relationships Between Cetacean Vocal Behavior and Sonar</a>	Thomas
1:50	<a href="#">Atlantic Behavioral Response Study</a>	Southall
2:10	DISCUSSION	
2:30	BREAK	
<b>Tagging Studies</b>		
2:50	<a href="#">Atlantic Sturgeon Tagging</a>	Watterson
3:10	<a href="#">Chesapeake Bay Sea Turtle Tagging</a>	Barco/DiMatteo
3:30	<a href="#">North Atlantic Right Whale Tagging</a>	Nowacek
3:50	<a href="#">Mid-Atlantic Humpback Whale Tagging</a>	Engelhaupt/Aschettino
4:10	<a href="#">VACAPES Outer Continental Shelf Cetacean Study</a>	Engelhaupt
4:30	DISCUSSION	
5:00	ADJOURN
